

# 19th ANNUAL HIGHLIGHTS OF THE 2020 SAN ANTONIO BREAST CANCER SYMPOSIUM

## JANUARY 14, 2021

### VIRTUAL CME

Presented by Fox Chase Cancer Center and the Temple Health Office for Continuing Medical Education, this virtual CME is designed to help medical, radiation and surgical oncologists, gynecologists, radiologists, and primary care physicians translate the data from key presentations from the 2020 San Antonio Breast Cancer Symposium into practice.

Join speakers from leading cancer institutions as they present information on the treatment of breast cancer, including screening, prevention, local control, chemotherapy, hormonal therapy, and advances in breast cancer biologics and their impact on breast cancer management.

#### LEARNING OBJECTIVES

After attending this program, participants should be able to:

- Analyze the advances in the management of breast cancer and premalignant breast disease and, when clinically relevant, integrate new findings into the management of patients with breast cancer and premalignant breast disease.
- When clinically relevant, apply new strategies for optimizing existing treatments into the management of these patients.
- Analyze new developments in breast cancer research and current available clinical trials and, when clinically relevant, include this information in discussions with patients.

**INTENDED AUDIENCE** The program is designed for medical, radiation and surgical oncologists, gynecologists, radiologists, and primary care physicians. Other physician specialties, nurses, advanced practice clinicians and healthcare professionals involved in the treatment of patients with breast cancer may find the program beneficial.

**ACCREDITATION STATEMENT** The Temple Health Office for Continuing Medical Education is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians.

**DESIGNATION STATEMENT** The Temple Health Office for Continuing Medical Education designates this live activity for a maximum of **2.0 AMA PRA Category 1 Credits™**. Physicians should only claim the credit commensurate with the extent of their participation in the educational activity.

**DISCLOSURE POLICY** It is the policy of the Temple Health Office for Continuing Medical Education to ensure that all sponsored continuing medical education activities are independently designed and produced and include content that is valid, objective, balanced, free of commercial bias and in the best interest to the public. Temple Health policy requires everyone in a position to control the content of an educational activity to disclose all relevant financial relationships with any commercial interest pertaining to the content of the activity and to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The Temple Health Office for Continuing Medical Education has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to the activity.
